All	0.52%
-----	-------

The map displays ZEV sales by state in the United States. The color scale ranges from light blue (low sales) to dark blue (high sales). California is the darkest blue, indicating the highest sales. Other states with high sales include Washington, Oregon, and New York. The map also shows the surrounding countries of Canada and Mexico, and the surrounding oceans.

State	Approximate Sales Volume (Relative)
California	Very High
Washington	High
Oregon	High
New York	High
Other States	Low to Medium
